

Scientific Integrity: How to publish reproducible results

EMBO Scientific Skills Courses

In-person Workshop for HCEMM by Poonam Bheda

Practical information:

The course is limited to **18** participants. Participation depends not only on the order of registration, but also on having as many research groups as possible represented at the training. A waiting list will be drawn up if more than 18 applications are received.

Confirmation:

The selection process will start after the official registration deadline for the course has passed. All applicants (accepted, waitlisted) will be notified as soon as possible (approximately 1 week after the registration deadline.)

Payment:

The training will be **free of charge**, but if a participant does not show up on the day of the training, €200 will be deducted from the annual budget of his/her research group.

Workshop timing: 9 October 2024 (9:00 - 18:00 CET)

Registration deadline: 8 August 2024
