Using our Website

Collection of general data

When you call up our Website, your browser will transfer certain data to our web server. This is done for technical reasons and required to make available to you the requested information. To facilitate your access to the Website, the following general data are collected, briefly stored and used:

1. an Internet protocol address (IP address),
2. the date and time of access to the Website,
3. the transferred volume of data,
4. the operating system used by the accessing system,
5. the browser types and versions used,
6. the Internet service provider of the accessing system, and
7. any other similar data and information that may be used in the event of attacks on our information technology systems.

Moreover, to protect our legitimate interests, we will store such data for a limited period of time in order to be able to initiate a tracking of general data in the event of actual or attempted unauthorized access to our servers (Art. 6(1)(f) General Data Protection Regulation).
